As many as 20 million people suffer from various kidney and urological diseases in Bangladesh. In 2014 we provided about 18,000 dialysis in 9 kidney centers across Bangladesh. We are looking for financial help to gradually set up such kidney dialysis centers in every region of Bangladesh.

Your donations can go to:

- **Sponsor a dialysis center in your district**
- **Sponsor a ward, dialysis machine, or bed in your name**
- **Sponsor a poor patient for dialysis (SBF accepts Zakah)**
- **Endowment fund (SBF accepts Zakah)**
- **Or any other way that suits you**

Your presence and support will immensely help a patient survive through a second chance
